

Florencia Talavera

FRONT-END DEVELOPER

About me

I am looking to continue and enhance my personal and professional growth, focusing on the continuous improvement of my skills and competencies. I am motivated by the pursuit of new challenges and opportunities that allow me to expand my experience and knowledge. I am a responsible, flexible, organized person, with an easy adaptation to changes. I am good at working in teams, as well as pursuing and achieving the proposed objectives at the company.
